

# Georgia (USA) Delegation Reception

**October 10, 6PM-8PM at Industriens Hus (DI)**

**Registration deadline: October 4**

The Confederation of Danish Industry requests the pleasure of your company at the reception to welcome the State of Georgia delegation to Denmark.

In September 2019, *Area Development Magazine* ranked Georgia as the **#1** State for Business in the USA for the 6<sup>th</sup> year in a row. Thanks to a dynamic and international business environment, over 3,500 international companies call Georgia home.

Today, approximately 50 Danish companies are present in Georgia and operate over 60 facilities. Georgia welcomes Danish companies of any size and from any sector to come learn more about investing in the United States.

Bert Brantley, COO at the Georgia Department of Economic Development and Executive Director of the Georgia Allies, will lead a high-level delegation joined by corporate leaders from Delta Airlines, Coca-Cola, NCR, SunTrust Bank and others that will bring together representatives from government and industry.

Please join us in this private networking reception to celebrate the US-Danish commercial partnership and to learn more about how Georgia can be a gateway to the United States for your company.
