Navigating China’s Political Business Environment

Date: 27th September 2021
Time: 9:00 – 11:00 (CEST)
Place: Online
Registration: here
WHY JOIN?
The seminar puts a spotlight on public affairs in China. The Chinese government’s decisions have an impact on all aspects of doing business in China. As a foreign company, you are expected to know political trends and prove that you are part of China’s modernization. You will learn about China’s development agenda, how to engage with the right public stakeholders, and leverage digital channels to create a positive brand image.

TARGET GROUP
All Danish companies interested in public affairs and political developments in China.

FORMAT
Get ready for a real deep-dive into how to manage business-government relations in China! Sense China’s Market Insights is a program focused on giving real insights and actionable tools from top-level professionals and experts. Participants will be able to join the program online, while the speakers are gathered in one room to provide the best interactive experience.

ORGANIZER
Market Insights – Public Affairs is organized by Sense China, the Confederation of Danish Industry’s business entity in Shanghai.
