

PROPAK PHILIPPINES

Deadline for binding registration is Friday 15 June 2018

24-26 January 2019
World Trade Center
Metro Manila
Pasay City
The Philippines

Join the Danish Pavilion at the first PROPAK PHILIPPINES – the new trade show for companies working with all aspects of processing, filling and packaging for the food, drink and pharma industry

ENTRY POINT TO THE PHILIPPINES

The Philippines has a strong food industry with almost 30 per cent of the economy based on agriculture. The Philippines food sector has a strong focus on exports and because of that there is a demand for getting to know the latest technology within processing and packaging automation and technology.

Food sales in the Philippines are forecast to rise by a steady 8.6 per cent a year over the next five years from 2017 to 2021. Sales of fish and fish products are forecast to grow by an average of 11.2 per cent a year through to 2021 to PHP1,334.6 bn. This is the Philippines largest food segment

Strong growth in sales of carbonated drinks are forecast at 10.2 per cent a year through to 2021. In terms of overall sales, fruit and vegetable juices are the largest segment with PHP142.0 bn and carbonated drinks ranked second with PHP142.0 bn. Coffee, tea and other hot drinks will see robust growth averaging 10.3 per cent % a year through to 2021, to reach PHP223.0 bn

Pharmaceuticals sales reached PHP156.2 bn in 2016 and are forecast to rise 3.9% to PHP162.3 bn in 2017.

***Deadline for binding registration is
Friday 15 June 2018***

WHY JOIN?

For the first time, the Confederation of Danish Industry (DI) organizes a Danish Pavilion in the Philippines in cooperation with Danish Agriculture & Food Council.

The Pavilion is a turnkey solution providing you with a platform to present your company and products as well as practical advantages in terms of your planning and participation in the exhibition.

Being part of a joint pavilion is an effective and cost efficient way for your company to attract potential customers. Furthermore, it will offer networking possibilities and an opportunity to exchange knowledge with exhibitors with similar interests in Asia.

The Danish Pavilion is an upgraded walk-on stand with a distinct Danish identity. All walls will feature wall-to-wall prints of product photos and your company logo printed on the front—all included in your price.

YOU WILL GET:

- A booth at the National Danish Pavilion at ProPak Philippines in Manila, Philippines from 24 to 26 January 2019
- A turnkey solution for your company with a walk-on stand fully equipped with counters, chairs, tables, shelves, lightning and wall-to-wall prints and access to a shared storage room
- Exhibit delivery, design, individual consultancy and decoration
- Coordination of services provided by the exhibition organizers, including exhibition catalogue
- Coordination of joint freight and customs clearance
- Coordination of hotel reservations
- DI will provide assistance in all aspects related to your participation—both before and during the expo.

* Included in the price is wall-to-wall prints and all basic furniture.

PRICE :

DKK 20,000 excluding VAT for a 9 sqm booth
DKK 40,000 excluding VAT for a 18 sqm booth

PRACTICAL INFORMATION

PRICE

DKK 20,000 excluding VAT for a 9 sqm booth

DKK 40,000 excluding VAT for a 18 sqm booth

Including wall prints and basic meeting furniture at the Danish pavilion as described in the invitation

The price is calculated on a basis of eight participating companies and an approved 50 percent support from the Danish Trade Council.

If the subsidy is not approved and/or the number of participating companies changes, we reserve the right to offer participation at a different price.

Should this result in a higher price than quoted, you have the right to cancel your participation.
