

# Request to exercise data subject rights

Confederation of Danish Industry

## Information about this form and DI's processing of it

This form must be filled out by anyone who wishes to exercise their rights under the GDPR.

Please send the completed form to DI at [persondata@di.dk](mailto:persondata@di.dk)

DI endeavours to respond to your request within one month of our receipt of all necessary information.

DI processes the personal data we receive via this form in accordance with our privacy policy, which you can read [here](#).

## Please complete the following:

### Contact information

This information is required

Name:
Address:
Email:
Telephone number:

### Basic information to locate your personal data

The information you provide here enables us to locate your personal data.

Please provide the information as you expect they would be registered by DI. This may differ from the contact information you have provided above.

The information you provide DI here is optional, but the more information we receive, the likelier it is that we can provide an exhaustive answer to your request.

Full name:
Email:
Telephone number:
Date of birth:
Name of employer/member company:
CVR number of employer/member company:

### Which right(s) are you exercising?

This field is obligatory. Select at least one.

- |   |   |
|---|---|
| <input type="radio"/> I would like information about what personal data DI processes about me         | <input type="radio"/> I would like to object to DI's processing of my personal data                     |
| <input type="radio"/> I would like to restrict DI's processing of my personal data                    | <input type="radio"/> I would like to have the personal data that DI processes about me rectified       |
| <input type="radio"/> I would like to have (some of) my personal data deleted                         | <input type="radio"/> I would like to withdraw my consent to DI's processing (some of) my personal data |
| <input type="radio"/> I would like to obtain my personal data in order to transfer it to someone else |   |

### Details regarding your request:

This field is not obligatory. If relevant, please provide details regarding your request.

--

### All personal data or only parts of it?

This field is obligatory.

Please indicate whether your request applies to all personal data DI may have about you or only parts of it, for example, if you would like to know what information DI has registered about you in connection with a specific event.

<input type="radio"/> All my personal data	Which?
<input type="radio"/> Parts of my personal data	

### Which personal data?

This field is not obligatory, but it will make easier for us to locate your data and thereby improve the quality of our response to your request.

Please specify what kinds of personal data you believe DI may have registered about you. For example name, email, address etc.

--

### In which connection did we register your personal data?

This field is not obligatory, but it will make easier for us to locate your data and thereby improve the quality of our response to your request.

For example, is it connection with participation in an event at DI or have you received holiday pay via DI?

--

### Contact at DI?

This field is not obligatory, but it will make easier for us to locate your data and thereby improve the quality of our response to your request.

Please write the name or email of any DI employees with whom you were in contact at the time at which you believe we registered this personal data.
