

Danish-Ukrainian Business Council

Join us and strengthen the commercial ties between Denmark and Ukraine

The Danish-Ukrainian Business Council provides Danish and Ukrainian companies with the networks and knowledge needed to explore new commercial partnerships and opportunities.

The council is created by the two most important business organisations in Denmark and Ukraine. With local advisors based in both countries, we are ready to help companies of all sizes create lasting partnerships and seize new commercial possibilities.

As a member of the Danish-Ukrainian Business Council, you will:

- Have access to market knowledge in Denmark and Ukraine,
- Develop relationships with new commercial partners,
- Participate in matchmaking and other industry events,
- Learn about financing instruments and opportunities,
- Gain support by market advisors from the most important business organisations of Ukraine and Denmark
